

July 2017 Helena Beautification Award Winner

June 1, 2017 - The Helena Beautification Board is excited to announce the Helena Beautification Award for July has been awarded to 9040 Brookline Ln, Theresa and Eric Kendrick.

Gardening in a small space is a challenge for some, but not for Theresa and Eric Kendrick of Helena. They've transformed their landscape on Brookline Lane into a colorful paradise. Well shaped foundation plantings of boxwoods give form and structure to the space while creative use of containers provide punches of color along the driveway and entry. Hanging baskets draw the eye upward and provide additional interest to the residence.

Theresa does a masterful job color blocking containers for maximum impact. Her use of Hibiscus, petunias, creeping jenny, impatiens, and other vines all blend together to create an inviting space. "Gardening is therapy to me", says Theresa. "My time in the garden helps to relieve stress while making the world around me a more beautiful place." Kendrick said.
